**PLATFORM TENNIS** is a doubles team oriented winter racquet sport. Played outdoors, platform tennis combines the fun and challenge of tennis, squash and racquetball. It is played on specially constructed heated platforms. The court resembles a tennis court except the overall dimension is  $\frac{1}{4}$  the size of a regulation tennis court. Paddles are used instead of racquets. Rallies are fun and invigorating.

---

**PLATFORM TENNIS NOW is designed for new paddle players.** Students will learn the basics; how to hit a drive, the volley, lobs, overheads, serves and serve returns.
