The Permanent Partner League Program provides weekly competitive doubles match play with fixed partners for members at different levels. Doubles teams may consist of two to four players. If a team consists of more than two players, the team will determine which two team members will play for any given week. If a team consists of two players, regular subbing rules will apply.

Each level meets once a week. Scores are recorded each week and awards are presented to league champions.

If you are unable to make your scheduled time, you are responsible for finding your own sub. A list of available subs will be provided. Please refer to the Permanent Partner League Rules for complete information.

Confirmation of your league will be made by telephone or e-mail two days prior to the start of your league.

Please contact Tennis Director Anish Manrai or Todd Johnson for further information.
