VARSITY PERMIT

Effective June 2018

**A HEALTHY LIFESTYLE
STARTS WHEN WE ARE YOUNG.**

At Midtown, we believe in establishing a safe and effective foundation for young members to integrate fitness into their everyday life. The Varsity Permit program is a free 60-minute orientation for teens to build community and confidence as our expert coaches guide them through our fitness zones while teaching important club etiquette. Varsity Permit graduates will earn access to select fitness zones.
