# Massage

## relaxation massage

Classic Swedish massage techniques for ultimate relaxation using light to medium pressure. This combination of gentle flowing strokes and tissue release leaves you refreshed and relaxed.

## deep tissue massage

This massage uses deep strokes and firm pressure to penetrate deeper into the muscle and tissue structure.

## hot stone massage

Heated stones and light to medium pressure are used to glide over tight muscles and reduce inflammation.

### mother-to-be massage

This gentle, light to medium pressure massage focuses on the back, neck, and shoulders. Not recommended during first trimester or with high-risk pregnancies.

### chair massage

A convenient and quick way to enjoy the benefits of massage and treat the most common areas of tension and stress.

### reflexology

A therapeutic method to relieve pain by stimulating pressure points on the hands and feet.

# *Skin Care*

## signature facial

Our luxurious facial treatments are customized to your individual skin type. This treatment includes a gentle steaming, deep pore cleansing, and exfoliation, combined with facial massage techniques to stimulate and oxygenate your skin.

## acne/deep cleansing facial

This facial will decongest skin pores, control bacteria and sebum production, prevent clogging, promote healing, and bring balance to the skin without over drying. Concerns such as acne, blackheads, and irritated skin are addressed. Your skin will be left feeling purified, hydrated, and wonderfully alleviated.

## microdermabrasion

A noninvasive procedure that releases microscopic crystals over the face. This removes the outermost layer of dry, dead skin cells, revealing your own glowing, healthier-looking skin underneath.

## LED light therapy

The skin absorbs therapeutic light and uses it as a source of energy to stimulate cellular regeneration, produce collagen and elastin, kill p. acnes bacteria, reduce inflammation, and speed healing.

## CLINICAL TREATMENTS

### algomask + facial

An enriched thermo-corrective treatment that provides instant radiance. This facial will hydrate, soothe, and decongest.

### oxygenating treatment

A revolutionary oxygenating treatment designed to clear skin congestion, diminish acne and scarring, and brighten the overall complexion.

### sea c spa

A powerful antioxidant treatment that acts as a “damage eraser” and protects the skin from free radicals to inhibit premature skin aging.

### botinol anti-aging treatment

An innovative treatment boosted with retinol, alpha lipoic acid and 5 peptides to visibly reduce expression lines, wrinkles, and signs of aging.

### hydrolifting

An anti-aging clinical treatment that provides intense, immediate hydration, which lifts and firms the face and neck for more radiant skin.

### collagen 90

An exclusive treatment designed to intensely rejuvenate the skin. This facial will stimulate collagen to minimize deeper lines and wrinkles.

### derm renewal clinical peel

Deep exfoliating that is essential for maintaining and restoring the skin's health. This facial will reduce the signs of aging and treat acne concerns.
